SUBJECT: Submittal of a resolution to proclaim July 2014 as "Park and Recreation Month" in San Luis Obispo County. All Districts.

## **RECOMMENDATION**

It is recommended that the Board approve the resolution proclaiming July 2014 as "Park and Recreation Month" in the County of San Luis Obispo.

## **DISCUSSION**

In March 2009 the United States House of Representatives designated the month of July as 'National Park and Recreation Month.' Recognizing the importance of park and recreation facilities and expressing support for this designation, the General Services Agency-Parks Division requests the Board approve this resolution and officially recognize July 2014 as Park and Recreation Month in San Luis Obispo County.

Residents of San Luis Obispo County appreciate that parks and golf course facilities contribute to the overall high quality of life in San Luis Obispo County by making our communities more livable by providing open space, recreation, and gathering places; while adding value to the community's properties and neighborhoods.

The County has a wide range of parks, golf courses, lakes, trails and open space. These areas are used for picnicking, leisure activities, camping, hiking, fishing, boating, bicycling, skateboarding, team sports, and other recreational activities. County Parks facilities provide opportunities for young people to exercise, grow and develop into contributing members of society. They create lifelines, social outlets and continuous life experiences for older members of the community. Parks and facilities also generate opportunities for people to come together and experience a sense of community and pay dividends to communities by attracting businesses, jobs and increasing housing value. In addition, recreational services provide positive alternatives for reducing crime, increased social connection, aid in health, promote the arts and promote lifelong learning.

Parks and recreation enriches the lives of San Luis Obispo County residents and visitors. The resolution for 'Park and Recreation Month for San Luis Obispo County' is an important way to increase awareness of the recreational opportunities that are available within our County as well as noting the benefits of these facilities and services provided by San Luis Obispo County Parks.
